**SUPPORTIVE LIVING SERVICES**  
INDEPENDENT LIVING

# Supportive Living Services

Supportive Living Services at Larksfield Place are designed to foster continued independence for our Residents. By choosing the services you need, and working with our care coordinators to develop an individualized care plan, our shared goal of sustaining your residence in your Independent Living apartment or villa may be achieved for a longer period of time as your health needs change.

## **Supportive Living Services are designed:**

- To support the care needs of Residents and provide nursing management for those services.
- To enrich the experience of aging in place within safe boundaries for Independent Living residents.
- To facilitate communication of residents and family members with Larksfield to plan and support changing healthcare needs in Independent Living.

**Home Health Aide Services** may include: Assistance with bathing, dressing, medication reminders, simple meal preparation, and other assistance that will enable you to continue living in your apartment for as long as possible.

**Professional Nursing Services** may include: Help with medications, dressing changes, blood sugar testing, injections, blood pressure monitoring, assessments, planning for your physical and psychosocial needs and contacting your physician as needed.

Supportive Living Services are not designed to provide support to Residents past levels where their safety, or the safety of those around them, may be compromised due to their physical and/or mental abilities. Services NOT provided by Supportive Living Services: routine incontinence assistance, extensive cueing for task completion, assistance with eating, experiencing frequent falls, physical assistance in exiting in emergencies, assistance with ambulation.

(See back cover for office hours and contact information.)

## **Individual Transportation Service by Appointment**

Transportation services are available both for Residents needing to reach places on the Larksfield Place campus and other Wichita locations, such as a doctor's office or the airport. We request that Residents call the Supportive Living Services Transportation Office at 858-3920 as soon as they know they will need transportation services, as the schedule for each day fills quickly. If the schedule is full, we may need to suggest a different day or perhaps a different appointment time in order to accommodate.

## **TRANSPORTATION SERVICE RATES**

<b>Ambulatory – Trip Fee</b>	<b>\$15</b>
<b>Wheelchair Accessible – Trip Fee</b>	<b>\$25</b>

You will also be charged for the transport aide service time associated with your trip. Transport aide charges begin when a Resident is picked up and stop when the transport aide has returned to the facility.

**Transport Aide Service \$26 per hour – rounded up to the nearest ¼ hour – Minimum charge is ½ hour.**

## STAY INDEPENDENT LONGER

Larksfield Place and Phoenix Home Care & Hospice have a close partnership that supports Independent Living residents to age in place. **Phoenix Home Care & Hospice** provides residents with in-home care and assistance. This collaboration of expert care and communication is a valuable asset to our residents' overall quality of life.

### HEARING AID CHECK AND CLEAN

Every third Friday of the month at 11 am by Dr. Haris Zafar, Ph.D., C.C.C.A.

Location: Supportive Living Office – Sign up at Fitness Club

Wax is the number one problem with hearing aids. To reduce the likelihood of a repair due to wax in the circuits, it is very important to clean your hearing aids every day, and to have them thoroughly cleaned by a professional at least once a month. This is a service provided to you by Larksfield Place through Audiology and Hearing Aid Services, Inc. There is no charge to you .

For more information, please call Fitness Club 316-858-3930 or Audiology & Hearing Services, Inc. 316-634-1100.

### PODIATRY

We are pleased and privileged to have Dr. Christopher Surtman, D.P.M. as provider of podiatry services at the three Larksfield facilities. Dr. Surtman has 24 years of experience and has a full-time established practice at Wichita Foot and Ankle Wound Center. He offers all aspects of podiatry care.

**Podiatry clinics at Larksfield are generally scheduled every 2 months at each facility.**

**Appointments for the Independent Living clinic are made by calling the Fitness Club**

**Podiatry services are often covered by Medicare health insurance.**

**Should you have any questions about his services or insurance coverage, please call Dr. Surtman's office 316-652-5251.**

### MASSAGE

Therapy through the manipulation of soft tissues produces favorable results to those suffering from anxiety, fatigue, arthritis, allergies, carpal tunnel syndrome, insomnia, TMJ dysfunction, fluid retention of the extremities, depression and digestive disorders. A treatment may also:

1. **Improve** movement, circulation, posture, immune function, flexibility, Range of Motion.
2. **Reduces** pain, stress, scar tissue formation after surgery, muscle tension & spasms.
3. **Boosts** your focus and provides deeper & easier breathing.
4. **Promote** faster healing and provides nourishment of the skin.

*Massage is not the occasional luxury saved for vacations or spa days anymore.*

**To make an appointment contact Jenn Thompson, Licensed Massage Therapist at 316-640-0302. \$40 for ½ hour massage, \$80 for 1 hour massage on Mondays.**
